Over the past several months, much work has gone into improving and updating the Sporting Clays course. The course consists of 8 stations. Currently, 7 of the 8 stations have 3 or 4 traps. The remaining station has 2 traps. The goal is to eventually have 4 traps at each station and offer 2 “challenging” targets and 2 that are less challenging.

Mike Lombardy has put a lot of work into clearing trees and brush and creating a safe course that can accommodate multiple squads. The course is still a work in progress and input and suggestions are welcome.

The club has purchased a wireless trap release system. Each station is equipped with a card reader. Shooters will purchase a pre-loaded card in the warmup house. Each card will contain 54 targets to allow for broken targets. Initially, we have kept the Sporting Clays cost the same, \$12 for members and \$20 for nonmembers. However, I am hearing rumblings of rising clay costs from our supplier.

The Board of Directors has set the hours for Sporting Clays to be as follows:

Wednesday : 4PM to 8PM

Saturday and Sunday 12PM to 4PM

The course is now open during the above hours so please come by and check it out.

Going forward, maintaining and running the course will take some work. Machines need to be turned on prior to opening and turned off at closing. We also need to top off the machines with clays every week or two depending on activity. If you are interested in joining the **Sporting Clays Committee** please reach out to me at belanger.paul@comcast.net. It's a good way to earn work credits and reduce your annual dues.
