

A photograph of a winter landscape. In the foreground, a large evergreen tree is heavily laden with snow. Behind it, several bare deciduous trees stand against a light, overcast sky. The ground is covered in a layer of snow. The entire image is framed by a white border.

**W**elcome to all the new members who have joined the Independent Sportsmen's Club since the last newsletter, and welcome back to those who have renewed their memberships.

Thank you to those who showed up to shovel and plow after this season's snowstorms.

We are a volunteer club and rely on our members to keep our club operating. The rifle/pistol committee will be organizing a spring clean up after the snow melts. Keep an eye out for that, as it is a great opportunity to earn volunteer hours and reduce next year's dues.

The Annual Membership Meeting and Elections were held on March 3rd. Club officers and Board of Directors members are listed on the following pages. Also, I am pleased to announce that Club finances are healthy and going ahead in 2026 there will be many rifle and pistol shoots scheduled as well as plans to improve and update the sporting clays course.

Check the ISC online calendars for details regarding upcoming events.

Paul Belanger, President
